

college but do not have the means to do so. In 1998, with the help of his sister Anna, Bernie established the Anna and Bernard Behrends Endowed Scholarship Fund. This scholarship has provided more than forty students with the opportunity to go to college since its creation. He has also been a pioneer for education through the founding of Logan County Voiture 985 of the Forty and Eight Nurses in Training Scholarship, which has helped over 150 students pursue careers in nursing through financial assistance.

All of these accomplishments are examples of Bernie's fervor for service and leadership to the Peoria community. Not surprisingly, Bernie is also a lifetime member of many recognizable organizations such as the American Legion, Forty and Eight, Veterans of Foreign Wars, American Veterans, Benevolent and Protective Order of Elks No. 91, Lincoln Masonic Lodge, Springfield Consistory, Ansar Shrine, Logan County Shrine, and the Legion of Honor.

As of today, there are no signs of Bernie curbing his service to Peoria. He continues to dedicate his time and energy to educational service by working with his sister to provide the necessary resources to the people of our community.

In summary, Madam Speaker, Bernie Behrends is an exceptional example of service and leadership in our community. His charity and commitment to serving those less fortunate than himself has been a hallmark of his life dedicated to being a man for others. Because educational opportunities are the foundation for future success, I believe Bernie's incredible charity to the people of central Illinois is something to be cherished and celebrated. I wish Mr. Behrends a very Happy 89th Birthday, and congratulate him on his continued legacy as a community leader.

A TRIBUTE TO JACQUELINE V.
NARINE

HON. EDOLPHUS TOWNS—

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 17, 2010

Mr. TOWNS. Madam Speaker, I rise today in recognition of Jacqueline V. Narine for her many achievements in the health field.

Jacqueline V. Narine is a born and bred Brooklynite. She is the youngest daughter of the late Theodore and Marion Holmes. Educated in the New York City Public School system, she nurtured a desire to work in a hospital community. Jacqueline began in high school as a hospital volunteer and then moved onto an outstanding professional career within the New York City Health and Hospital Corporation.

In 1977, Jacqueline joined NYC Health and Hospital Corporation with the Finance Department at Cumberland Hospital as a Hospital Care Investigator. Her work style and commitment were soon acknowledged and she was promoted to Systems Analyst in Outpatient Billing. This phenomenal experience led to her position as the Assistant Director for Clinical Operations, with responsibilities in several different capacities at this North Brooklyn Health Network, including the oversight, management and budget for Ambulatory Care Services. However, the most significant aspect for Jac-

queline and the key to great hospital care was always the effective and responsive care given to patients. Her impact was noticed by patients and staff.

Over the 32 years of service to the NYC Health and Hospital Corporation there have been challenges to patient care. Jacqueline and her colleagues have had to adapt to changing healthcare/managed care, decreased resources and the perpetual needs of the patients. The importance of working with the community you are serving to maintain efficiency has always been significant to Jacqueline. She has worked with the Community Advisory Board, the Auxiliary Board and the Reach Out and Read Program of Greater NY. Over the years she planned and coordinated many events. The community based event in 1996 "Bedford-Stuyvesant Resource Family Day" earned Jacqueline recognition from former New York City Public Advocate Mark Green.

Jacqueline is a fourth generation member of the Cornerstone Baptist Church in Brooklyn. She is active in the Business and Professional Women of Cornerstone Baptist Church. She is the Financial Secretary for the Bedford Section of the National Council of Negro Women Inc., member of the Senior Umbrella Network of Brooklyn, Unity Democratic Club and a lifetime member of the Jack and Jill of America, Inc., Brooklyn Chapter. Retirement will allow her the time to give generously to her family and her community.

Jacqueline has been a devoted wife for 36 years to Peter Narine and is the mother of Seth Ramjit Narine and Danielle Melissa Narine. It is scripture that guides her (Luke 12:48) "To whom much is given much is expected."

Madam Speaker, I urge my colleagues to join me in recognizing the achievements of Jacqueline V. Narine.

CONGRATULATIONS ON YOUR
RETIREMENT JEFF KIMPEL

HON. DAN BOREN

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 17, 2010

Mr. BOREN. Madam Speaker, I am here to congratulate Dr. James "Jeff" Kimpel, on his retirement after 13 years of federal service as director of NOAA's National Severe Storms Laboratory, NSSL, in Norman, Oklahoma. He has been active in advancing the Geosciences and Meteorology Program in the state of Oklahoma and throughout the nation.

His career spans not only the academic community, but government service as well. After graduating and earning graduate degrees from the University of Wisconsin, Dr. Kimpel joined the meteorological faculty at the University of Oklahoma, where he earned the rank of full professor and held several administrative positions which include dean of the College of Geosciences and provost and senior vice president of the Norman, Oklahoma campus and having the title of senior vice president of the Norman campus. He chaired both the National Science Foundation's Advisory Committee for Atmospheric Sciences and the Board of Trustees of the University Corporation for the Atmospheric Sciences.

Some of the prestigious positions that have been held by Dr. Kimpel include Assistant Pro-

fessor for the Colleges of Arts and Sciences and Engineering at the University of Oklahoma, Norman campus where he was granted tenure. He later became the Associate Professor for the School of Meteorology followed by having the title of Emeritus Professor of Meteorology at the University of Oklahoma, Norman campus. Before coming to the University of Oklahoma, Dr. Kimpel held positions as research assistant at the University of Wisconsin, Madison and as a lecturer.

The NSSL is responsible for creating Doppler weather radar technology that has opened many doors and eventually led to the creation of the national NEXRAD, NEXt generation weather RADar, network which consisted of more than 160 radar systems. This has greatly reduced the number of fatalities that have been caused by tornadoes. During Dr. Kimpel's time there, NSSL conducted scientific and technological research that upgraded NEXRAD's systems.

Dr. Kimpel worked vigorously to launch the Multifunction Phased Array Radar initiative as a possible replacement in the future for NEXRAD. He has worked with the NWS Storm Prediction Center and the Norman Weather Forecast Office to create a Hazardous Weather Testbed to speed up the transition of new science into operational warning and forecasting decision processes. He has also expanded the NSSL's radar-based flash flood forecasting and water management programs into areas near the coast where inundation from land falling tropical storms, hurricanes and other inclement weather is possible.

Dr. James Kimpel has had a major impact throughout the state of Oklahoma, and I am proud to be from a state where he has contributed so much to protecting the lives of so many Americans through his work at the NSSL. I thank him and all Oklahomans and Americans.

A TRIBUTE TO DAVIS GAYLE, JR.

HON. EDOLPHUS TOWNS—

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 17, 2010

Mr. TOWNS. Madam Speaker, I rise today in recognition of Davis Gayle, Jr. for his contributions to the Brooklyn community.

Davis Gayle, Jr., the proprietor of Tropical Paradise Restaurant and Tropical Paradise Ballroom, is one of the most outstanding businesspeople in the Brooklyn area. Affectionately referred to as Junior, Gayle has distinguished himself and his establishment. With fierce entrepreneurial will and a genuine love for people, Junior has taken the business of restaurants to new heights and has transformed the Tropical Paradise franchise into a veritable cultural center.

Tropical Paradise Restaurant and Tropical Paradise Ballroom are located in the heart of the Utica Avenue metropolis. The restaurant opened on September 8, 2001 and offers a wide range of West Indian dishes. In addition to being frequented by top artists, Tropical Paradise is now well known in the community as a nurturing ground for new artists. The Tropical Paradise Ballroom opened on November 8, 2008. The large ballroom with its mirror walls and beautiful chandeliers has
